Beds and bedding – the things close to us when we want to rest, when we take the time to stop making time for everything else. And make time for ourselves and each other, in a private, intimate space all our own.

Elegant, comfortable bedroom furniture blends contemporary design with traditional quality and craftsmanship. Beauty and comfort in perfect, equal measure, the feel of quality materials against the skin.

Simple, and simply elegant goes a long way in creating that special place – where we remind ourselves just how important we are, and reward ourselves with the functional luxury we deserve.

Betten und Bettwäsche – Sachen, mit denen man in Berührung kommt, wenn man Entspannung braucht, wenn man sich die Zeit nimmt, um eine Pause zu machen um wieder mal an sich selbst zu denken. Um in unserem privaten, intimen Raum Zeit füreinander zu finden.

Elegante, bequeme Schlafzimmernöbel verschmelzen mit modernem Design von traditioneller Qualität und Kunstfertigkeit. Schönheit und Komfort in perfekter, gleicher Weise, Erfahrung, wie sich das hochwertige Material auf der Haut anfühlt.

Es heißt schlicht und einfach elegant, und genau das hat eine große Wirkung bei der Gestaltung dieses speziellen Platzes, wo wir uns wieder mal ins Gedächtnis rufen, wie wichtig wir sind, und wo wir uns mit praktischem Luxus belohnen, den wir verdienen.

I letti e la camera da letto, le cose intorno a noi quando vogliamo riposare, quando prendiamo il tempo di smettere di fare tutto il resto. È il tempo per noi stessi e gli altri, in uno spazio intimo e privato tutto nostro.

Eleganti mobili e letti confortevoli, le nostre camere da letto fondono il design contemporaneo con la qualità e la tradizione artigianale. Bellezza e comfort in perfetto equilibrio, la sensazione di materiali di qualità contro la pelle.

Semplice ed elegante, un lungo cammino nella creazione di quel luogo speciale - in cui ci ricordiamo quanto sia importante che siamo, e premiano noi stessi con il lusso funzionale che ci meritiamo.

# dining

## dining . Esszimmer . sala da pranzo

Tables and chairs with a distinctly contemporary look and feel, designed and finely crafted to suit – and make – an exceptional, personal home environment.

After all, dining is about far more than just food: it's about taking the time to nourish and enjoy ourselves and each other. It's about sharing – good things and good times – with those special others. And it's about shaping the special, personal things in life to reflect our taste for style, beauty and everyday functionality.

Tische und Stühle in ausgesprochen moderner Optik und Haptik, gestaltet und fein gearbeitet, um in Ihren persönlichen Wohnbereich zu passen und ihn unvergleichbar zu machen.

Immerhin ist Essen viel mehr als nur Nahrungsaufnahme: es geht darum, sich Zeit zu nehmen, um beim Essen und miteinander zu genießen. Es geht um gemeinsames Austauschen und Miterleben – von guten Sachen und guten Zeiten – mit Ihren Nächsten. Und es geht um die Gestaltung von speziellen, persönlichen Sachen im Leben, die unseren Sinn für Still, Schönheit und tägliche Funktionalität widerspiegeln.

Tavoli e sedie con un look decisamente contemporaneo, progettati e finemente lavorati per adattarsi e creare un ambiente eccezionale e personale.

Dopo tutto, la sala da pranzo è molto di più che un semplice luogo per mangiare: si tratta di prendere il tempo per nutrire e godere di noi stessi e gli altri. Si tratta di condividere cose buone e bei momenti. Si tratta di plasmare i particolari, cose personali nella vita, per riflettere il nostro gusto per lo stile, la bellezza e la funzionalità di tutti i giorni.

Our collection of furniture for living is about far more than simply having a place to put things – and putting things in their place: it's the point at which function meets form – with a flair for life.

Fine cabinets, buffets, tables and unique wall units in contemporary materials complement each other and your living environment, the way you want to look and live. Polished gleaming surfaces blend and contrast with warm, natural grains and materials to give visual shape, character and style – life-style.

Unsere Wohnzimmermöbelkollektion bietet viel mehr als nur Platz zum Einräumen – und zugleich gibt es Platz für alles: es handelt sich um einen Punkt, wo Funktion auf Form trifft.

Schöne Schränke, Anrichten, Tische und einzigartige Schrankwände in modernen Materialien ergänzen einander und Ihren Wohnraum – wie Sie aussehen und leben möchten. Glatte, schimmernde Flächen verschmelzen und kontrastieren mit warmen Maserungen und Materialien, um Ihrem Zuhause visuelle Form, Charakter und Stil, Ihren Stil zu verleihen.

La nostra collezione di mobili da soggiorno è molto di più che semplicemente avere un posto dove mettere le cose - e mettere le cose al loro posto: è il punto in cui la funzione soddisfa la forma con un gusto per la vita.

Armadiature raffinate, buffet, tavoli e pensili unici in materiali contemporanei completano a vicenda il vostro ambiente di vita, il modo in cui si desidera guardare e vivere. Superfici lucide si fondono tra loro ed il contrasto con il caldo del legno e dei materiali naturali danno la forma, il carattere e lo stile, lo stile di vita.
